

The United Methodist Church

September, 2014

Greetings!

Dear Brothers and Sisters in Christ,

Receive our sincere greetings from Morogoro, Tanzania.

It has been a while since we last spoke to you and we are happy to write to you once again. We thank God who by His grace kept us well and strengthen the whole church in Morogoro. It is with great pleasure that we write to you to keep you regularly updated of different activities that are happening in our ministry.

Social activities

The training for student pastors was held in Morogoro from end July to early August. We thank God because it was well done. And we were blessed by the visit of Rev Cox Kerry from Oklahoma who also came to teach our student pastors. In total, they were six students who attended the training courses.

One of them has finished his courses and the remaining five students will come again next year to continue with their courses. And we are very blessed to have another woman who has joined the group. She will be the second female pastor in Tanzania so far.

Mtipule United Methodist Church

Moreover, we would like to inform you that we planted another church in Mtipule region. Within few weeks we managed to finish the construction of that church. This could not be able without your support and prayers. Hence we would like to give special thanks to the Oklahoma team. It brings lot of joy to see the church expending more and more.

The Mangae Preschool is doing well. The number of pupils is increasing which is very encouraging. The same apply to Wesley Primary School, all activities are running smoothly. Our pupils from class seven will be wrote their final National exams from the 8th to 10th September. Let us remember them in prayer so that all of them pass with honors. The knowledge they have got from Wesley

Primary school is good enough, therefore it is our wish to see them pass to secondary school next year.

Susannah Wesley Training Center is doing well. Single parents and other women are trained sewing skills and other vocational skills in order to empower them to become self-dependent.

Thank you once again for your support and prayers. These are a few of our projects we are doing and with God on our side we hope to do more because there is nothing impossible with Him.

We would also like to inform our donors and all those who would like to support us that "GivingTuesday" is coming again this December 2, 2014! Any gift that you will donate to our ministry will be doubled. We will provide regular updates on this event as we are also waiting for some confirmations.
